About Me

"I am a student in the 6th semester of Computer Science & Technology at Jashore Polytechnic Institute, with a strong passion for web development. I have practical experience working with computers, have honed my frontend skills, and am now focusing on backend development to grow into a skilled full-stack web developer."

Experience

July 2025-Sept 2025

Jashore, Khulna

Education

Jashore Polytechnic Institute

Computer Science And Technology

Mar 2023- Dec 2026

Current Semister: 6th , Current CGPA 3.25(Out Of 4) Up to 5th semister.

Diploma in Engineering

Projects

Portfolio

I created a personal portfolio website using HTML, CSS, and basic JavaScript to display my skills and projects. It shows my progress in web development and provides a platform to demonstrate hands-on experience with frontend development.

Donation

This website is created to support and collect donations for people in the Gaza region. It allows donors to easily contribute and provide direct assistance to those in need. The platform is user-friendly and ensures secure transactions.
